**Certified Marriage Certificate:** A certified copy of a marriage certificate is your legal proof of marriage. This certificate is required by most federal and state agencies, Social Security Admin, DMV, banking, insurance, passport, and immigration naturalization service. Marriage Certificates are available for all marriages performed from 1909 to present.

**Marriage Abstract:** A Marriage Abstract is a certified document that contains some of the information from the original certificate and may be used for some U.S. agencies and some foreign countries.

**Certified Marriage License:** If required, a certified copy of your marriage license can be obtained. Older versions of marriage certificates did not have date of birth and the license will have this info on it.

**Apostilles:** Are required by some countries to recognize the marriage. Please contact the Nevada Secretary of State at [www.nvsos.gov/sos/businesses/apostille](http://www.nvsos.gov/sos/businesses/apostille).
